

Community Regional
Crisis Response

MANAGING YOUR
CRISIS WHEN YOU
NEED IT MOST.

CR2 provides 24-hour rapid response to children, youth, and adults facing a mental health and/or substance use crisis who may be at risk for hospitalization.

Our highly-trained and compassionate counselors provide phone screening and face-to-face assessments, intervention, and support so you and your family may continue with life as planned.

Our services include:

Mobile Crisis Response

24/7 rapid response, assessment, and early intervention for individuals experiencing a crisis.

Community Stabilization

Short-term services designed to support an individual following contact with an initial crisis response service or as a diversion to a higher level of care.

Call us for:

- Aggression or self-harm
- Thoughts of suicide
- Threatening behaviors
- Hallucinations or delusional thinking
- Substance use
- Property destruction
- Extreme social isolation
- Loss of coping skills
- Dangerous decision making

Mobile Crisis Response and Community Stabilization are voluntary services. Mobile Crisis Response services will not be denied based on insurance status or ability to pay. If telepsychiatry services are utilized, there may be a copay depending on your insurance.
